A SPECIAL MESSAGE FROM BERGEN COUNTY

After leading BCSLHA for 40 very successful years, **Judy Chesler** and **Nancy Wernikoff** are now transitioning the leadership. During this time the organization grew from 10 professionals, meeting in each other's homes to an organization with two workshops per year. Each workshop has been regularly attended by approximately 125 to 150 professionals.

Judy and Nancy wish to take this opportunity to thank NJSHA and all the professionals that have supported BCSLHA with their programs and participation. We wish continued success to BCSLHA and all our professional colleagues.
