What is NJSHA?
The New Jersey Speech-Language-Hearing Association (NJSHA) is the premier state professional organization that empowers audiologists, speech-language pathologists, speech, language and hearing scientists and future professionals by providing resources and support to its members and those they serve. Our members are professionals who work in hospitals, schools, private practices, skilled nursing facilities, home care, universities and early intervention, serving people across the lifespan.

• NJSHA has more than 1,300 members;
• More than 900 individuals attend the annual NJSHA Convention;
• Every year more than 100 students attend to present their research at the NJSHA Convention;
• NJSHA is the go to place in the state for continuing education.

We welcome you to begin your year long journey with NJSHA, starting with a presence at the 2022 NJSHA Annual Convention. Together we can provide effective communication and the highest quality of life for those we serve.

Learn more about NJSHA at www.njsha.org.
